Notes from my 05/27/08 phone call with Marshall Cedilote at 512-239-4134 (TCEQ):

- Concerning the pits off Galveston Bay called “**McGinnis Industrial Maintenance Company in Hitchcock**” (Marshall initially thought these pits were located in either Dickinson or Halls Bayou Ranch but looking in his files he found it listed as being in Hitchcock).
- CERCLIS number for these pits, i.e., the Site, is TXD980697031.
- At this time TCEQ is closing the pits.
